

Porter Medical Associates

Porter Medical Associates show that you are currently eligible or will be eligible for participation in Medicare. As part of our patient-centered initiative, and to help you with selecting a health plan best for you, we are providing resources to help you navigate through your Medicare options. The Premier Group will be working with Porter Medical Associates to help you coordinate your Medicare benefits. Please take time to schedule an appointment with The Premier Group at our office or a location that better meets your needs.
